

# Sample Email to Send to Someone Auditioning

Hey John,

Thanks so much for signing up to audition with us at our 2pm audition on January 18th.

Please review this email carefully as it contains all the information you need to know in order to prepare for your audition.

**Date:** January 18th

**Time:** 2-3pm. Each audition will last about 5-7 minutes, but please be prepared to stay the entire time if needed. Audition order will be based on check-in order.

**Location:** Main sanctuary

**Results:** You will receive an email within 2-3 days of your audition with the results.

## **For singers:**

- Please come warmed up.
- Be ready to sing a verse and chorus of a well-known worship song that we'll choose for you.
- If you know what key works best, please let us know. If not, we'll find one that works for you.
- Be ready to sing a Bible verse (we'll choose for you) over a spontaneous chord progression we'll play for you. We want to hear how you can flow with no established song lyrics or melody.

## **For musicians:**

- Drum kit and keyboards/piano will be provided, but please bring any other gear (guitars, amps, pedals, etc.) that you will be auditioning on.
- Be ready to play a well-known worship song along with the worship leader/team. Chord sheet and song will be provided for you.
- Be ready to transpose up or down a key on the fly (this will vary).
- Be ready to possibly play a song by ear (listening for the chord changes).
- Be ready to possibly play lead-line melodies of a song or a spontaneous solo time.

If you have any questions or if something changes and you're unable to make it, please email us.
